Dear Manolis

We refer to the recent discussions and are pleased to inform you as follows:

If Gomastit Aqua-Protect-Flex liquid is applied according to the application instructions, the following warranty can be granted, depending on the layer thickness and coverage:

mm vs years	1	2	3 (or fleece)
open	3	10	20
covered	10	20	

We hope this information will be helpful. Otherwise please do not hesitate to contact us for any further information.

Best regards
merz+benteli ag
